---

George oversees the strategic direction and operations for all Chief Holdings, LLC's entities including Chief Fire Protection Company and Chief Electric, LLC. Guided by the mission statement "**To Protect Life and Property**", George has developed a platform of companies to provide an unparalleled level of services to support life safety and property conservation to the facilities they serve.

George has developed certified training programs for property managers, building engineers, and fire fighters. These programs have been accredited through the Georgia Real Estate Commission and the Georgia Public Safety Training Center.

George currently serves on the Georgia Chamber of Commerce's Small Business Advisory Council and has been nominated for Georgia Chamber 2020 Board of Directors.

George is a US Navy veteran and a retired Lieutenant from the City of Atlanta Fire-Rescue Department.
