

## Peder Jensen

Vice President with extensive experience leading residential construction operations and delivering high-quality communities across diverse and growing markets. Brings a well-rounded background spanning construction management, general sales leadership, and real estate brokerage—offering a comprehensive perspective from land acquisition and development through sales and final delivery.

Oversees residential, multi-family and light commercial construction operations with responsibility for multi-market performance, driving cycle time improvements, cost control, and consistent delivery of high-quality homes at scale. Expertise includes land development, contractor and trade partner management, complex negotiations, and financial oversight, with a focus on aligning operational execution with profitability and long-term business objectives.

Recognized for building and leading high-performing teams, strengthening strategic partnerships, and executing with discipline, accountability, and precision.

Committed to servant leadership both professionally and within the community. Serves as a District Chief with Maury County Fire, a member of the Regional Planning Commission for Maury County, and Chapter President for Maury County with the Middle Tennessee Home Builders Association.

Licensed Real Estate Broker and General Contractor in the State of Tennessee.

Holds a Bachelor of Science in Construction Management from University of Cincinnati
