

Business Partner Affiliates Form

As a Business Partner member of CAI, employees wishing to be active with CAI are considered affiliates of your membership and must be a direct employee of the company. Affiliates receive access to the national website and members-only content, member discounts on registration for events and publications, and the opportunity to serve on chapter committees and boards. Only the primary contact for each Business Partner membership can vote in national and chapter elections.

This does not replace the Multi-chapter or National Corporate memberships. For information on additional memberships, please contact CAI Customer Service at (888)224-4321.
